Support Group Leaders' Retreat

Tags: leadership support groups

Leaders, You won't want to miss this!

Fall will be here soon and it will be time for MÂCHÉ's annual gathering of Minnesota support group leaders. This is a fabulous chance to connect with other leaders and encourage each other on our leadership journeys. This year's Support Group Leaders Retreat will be held on Saturday, October 27 at Horizons Community Church in Ham Lake, Minnesota.

We are blessed to have Cam Leedahl, a veteran homeschool mom and leader, share with us. Cam is a founding board member of REACH support group in northern Minnesota and serves as a board member on the National Alliance of Christian Home Education Leadership (The Alliance). She will have two sessions with us.

Session One: Building the Framework of Your Group
Cam sets out the general principles for a successful support group and helps you target specific applications for your distinctive group. Utilizing the right tools for the job helps to make the construction and maintenance of your group easier.

Session Two: Leadership Would be Easy if it Weren't for People
Just as one support group differs from another, so do the types of families in a support group as well as the personal skills and circumstances of those leading that support group. Cam discusses ways to navigate the challenges of support group leadership.

We will be emailing out the invitations in mid-September. If you need to update your Support Group's information, please email the changes to MACHE. We do not want to leave anyone out!

There will be plenty of time to visit, share, pray and network with other leaders! Hope you can come!
